# April Newsletter

by [Sam Shydowski](#), VP of Alumni Relations - Wisconsin Delta Upsilon (Class of 2025)

The spring semester for Delta Upsilon has continued a successful semester! The brothers made their way back from spring break where they enjoyed their time off from schoolwork and made great memories together. Also, in collaboration with small business on State Street, the chapter raised roughly \$2,500 for victims of the Waukesha Parade attack. In athletics, the Delta Upsilon chapter reached the final four in Gamma Phi Beta's soccer tournament for Girls on the Run and Kappa Kappa Gamma's basketball tournament for various mental health organizations. This past month, Delta Upsilon also hosted their moms for a weekend, enjoyed a trip to a winery with them as well as exploring Madison together.

## Senior Spotlight

by [Miles Jordi](#), Active Member - Wisconsin Delta Upsilon (Class of 2022)

My name is Miles Jordi, and I am a senior from Martha's Vineyard, Massachusetts. In May I will be graduating with a Bachelor of Science Degree in Economics. This summer I will be starting my initial role out of college as a Sales Development Representative at Rho Business Banking in New York City. Over the past two summers, I have found a passion for both banking and sales through various internships and have decided to pursue a career where I can find the middle ground between the two at a high-growth FinTech startup. Being a part of DU over the past four years, I have been able to surround myself with like-minded individuals who push me to achieve in and out of the classroom on a day-to-day basis. I can't imagine where I would be without my brothers and the DU Wisconsin chapter.

# Alumni Spotlight

by [Jon Callaway](#), Alum- Wisconsin Delta Upsilon (Class of 1988)

**Major:** Political Science

**Current Town of Residence:** Madison, WI

Jon pledged the fraternity in the fall of 1983 and worked in financial services for several years before attending law school. After spending a dozen years in private law practice, Jon has been working for an electric utility since 2008. He has served on both the Housing Corporation and Foundation alumni boards and has one son who is planning to start college in the fall.

## **Get To Know Jon:**

### **What is your favorite memory during your time as an active at Delta Upsilon?**

“My favorite memories include an amazing walkout weekend trip we took to Minnesota with a sorority on a coach bus to watch the Badgers whip up on the Gophers, Thursday night beer suppers with different sororities, and spending the entire week of Homecoming building a massive float and competing to be the best fraternity on campus.”

### **What is the best advice you could give to active and future members of the chapter?**

“Try to get to know as many guys in the house as you can, especially the older guys. Also, make a point of getting to know the person in the house you seem to have the least in common with. It's easy to enjoy the company of guys you feel like, but it's incredibly rewarding to get to know and learn from someone different than you.”

### **What is your favorite place to enjoy a Saturday night in Madison? Favorite food spot?**

“It's hard to pick one, but I would say the top three would be the Brat Haus (State Street Brats), the Kollege Klub, and the Irish Pub (where I worked). And nothing was better than a Parthenon gyro at bar time!”

**The Delta Upsilon chapter is excited to see you all this Friday night!**
