

Delta Upsilon

.....

# March Newsletter

by [Sam Shydlowski](#), VP of Alumni Relations - Wisconsin Delta Upsilon (Class of 2025)

The spring semester for Delta Upsilon started off with a successful rush process, and we welcomed a new pledge class consisting of thirteen new brothers. The chapter as a whole participated in a philanthropy event along with five other fraternities, participating in the Langdon Invitational Hockey Tournament. The five fraternities were able to raise upwards of \$10,000 for Wisconsin Special Olympics. In athletics, Delta Upsilon has begun their intramural basketball season 2-0, defeating Lodge and Delta Tau Delta. Additionally, six newly initiated members attended the Delta Upsilon Regional Leadership Academy hosted in Oak Brook, Illinois. They were able to meet former Delta Upsilon Alumni Steve Satek ('88) as well!

---

## LOOKING AHEAD

In the left photo, current members Jackson Wertish ('25) and Sam Shydrowski ('25) are pictured with Steve Satek ('88) at the Regional Leadership Conference in Oak Brook, Illinois. Other participants are pictured in the photo on the right including Robbie Lawton ('25), Nick Iyer ('25), Finn Stover ('25), Anders Stoehr ('25),

## Spring Plans

- Looking ahead to the rest of the spring semester, the brothers of Delta Upsilon are excited to travel together during spring break! The **freshman** will be headed to **Fort Lauderdale**, the **sophomores** to **Cabo**, and the **seniors** to both **Nashville and Alabama**
- As **April 22nd** draws closer, we are looking forward to seeing many of you at the **DU dinner** at the **Pyle Center**, where Mr. Jerry Fink ('87) will be delivering a speech.
- We are continuing to work on a date for an **alumni weekend**, with the goal of hosting one during a **game day** in Madison **next fall**. More details to come.
- Our chapter has a strong desire to reestablish its connection with alumni, and with the return of the **VP of Alumni Relations** position, we hope to bridge the gap

# Professional Endeavors

Here are a couple of active members and their professional plans for over the summer! If you wish to reach out to any of them their contact information is also listed below.

- Active Junior JJ Illigen will be working at Wisconsin Institute of Medical Research Labs (608-698-7912)

# Studying Abroad

by [Colin Delvecchio](#), Active Member - Wisconsin Delta Upsilon (Class of 2023)

For the spring semester, most of our junior class, including myself, chose to study abroad. We're dispersed across Europe, between Barcelona, Rome, London, and Budapest.

I chose Barcelona as my destination because I studied Spanish language and culture throughout high school, so it was a no-brainer.

Having the opportunity to see so many different places in Europe with some of my best friends has been an experience of a lifetime. So far, I, along with most of the DU's here, have seen Lisbon, Madrid, Prague, and Budapest, with plans for many more trips before our journey ends.

# Senior Spotlight

by [Austin Urbach](#), Active Member -  
Wisconsin Delta Upsilon (Class of 2022)

My name is Austin Urbach and I am a senior from Newport Beach, California. I will be graduating in May with a Bachelor's Degree in Journalism with a Strategic Communications focus, and certificates in Business Fundamentals and Entrepreneurship. In the fall I will be attending law school, intending on focusing on business and entertainment law. While I am still waiting to hear back from a handful of schools, as of now I will be attending the University of California Los Angeles because of the school's Southern California location, renowned faculty, and academic programs, and outstanding reputation when it comes to placing lawyers into the top law firms in the country. DU has been instrumental throughout my college experience, and I would not be where I am today without the relationships I have formed with the entire fraternity. Because of DU I have grown immensely as an individual, learned the importance of service and leadership, and seen what close friendships and strong character can achieve.

**The Delta Upsilon chapter is excited to finish up midterms this week and enjoy some nice weather over break!**
