This is the last issue of the DU News

The DU of Wisconsin Foundation board decided at its August meeting to end publication of the DU News, making this the last printed issue of the DU News to be mailed to homes.

The decision was driven primarily by the need to communicate more efficiently and cost-effectively with Wisconsin DU alumni via electronic communication mediums – the Chapter website, targeted emails, Facebook, Instagram etc. We may still use the mail on occasion, but most future communications to alumni will be electronic rather than printed.

One of the first steps in this initiative is to overhaul the Chapter’s current website. Look for a redesigned website and further information in the coming months.

To make sure we have your current email on file, please send an email to Charlie Cox (chasbocox@gmail.com) and Rick James (rickjamesuw72@gmail.com).

Come to the House after Homecoming

All alumni and their guests are invited to visit the House after the Homecoming game on October 21. Free food and beverages will be served from 3 p.m. to 5 p.m. Come down to the lake to celebrate the Badgers’ win over Maryland!

2018 DU Dinner: Friday, April 20

Mark your calendar and make plans to attend the 93rd Annual DU Dinner in 2018:

Friday, April 20, 2018
Pyle Center – Alumni Lounge
Madison

Look for details and reservation information early in 2018.

If you pledged DU in 1968 or earlier, you will be honored with a 50-Year Certificate and a free dinner. How can you pass up a deal like that!
As the fall semester begins, the brothers of the Wisconsin Chapter of Delta Upsilon are excited to achieve the goals we have set forth. With a new executive board, we feel we have the leadership and drive to do great things.

Rush is in full swing since we got back to campus in August. Our Vice President of Recruitment, Sam Brennan ’19, along with members of the rush team, worked all summer break to come up with some great rush events. The big event this year was a BBQ cookout and Sunday Night Football viewing that took place at the House. Rush was a great success. We added 18 new associate members from all over the country (see list this page). Members will bring great things to the Chapter.

We are also looking forward to a great social semester. With Badger games starting up, brothers are starting to have tailgates and other events at the House. The social team has been hard at work planning socials, parties and other events for the first semester. The current brothers of this House are especially excited for the alumni tailgate from 3 p.m. to 5 p.m. on October 21 after the Homecoming game against Maryland. We hope to see you all there!

Finally, this semester we plan on doing a large philanthropy along with other small ones to raise money for the Delta Upsilon Global Service Initiative. Our Vice President of External Relations, Gage Shellow ’20, has been hard at work planning these events, including the second annual “DU Block Party” featuring a BBQ/cook-out at the House, entertainment and a dunk-tank where guests can pay $5 to dunk a DU of their choosing.

There’s a lot to be excited about this upcoming semester in Delta Upsilon!

Fraternally,
Sam Filkouski ’19
